

# Cash for Cans

---

**Aluminum**      **Copper**      **Brass**

The 2016-2017 season is our 6th Annual ongoing fundraiser with Westsound Recycling for Tracyton SC!

Need to clean out the garage? Have new siding or gutters put on your house? New plumbing installed? Or bi-weekly recycle bin is full? By donating aluminum, brass, or copper to Westsound Recycling, we can support the Tracyton Soccer Club player scholarship program.

**Please mention that you are with TSC**

---
