

Tracyton Soccer Club March Newsletter

Message from your TSC Administrator:

Is it really almost that time again? Yes!! Coach Registration is already open online and player registration will begin online on April 15th. The TSC BOD is looking forward to having you be a part of our club for 2018!!! We are very excited to announce we were able to lower our U8 and below fees by \$10 a player and keep the remaining fees for all age groups the same. We are also excited to announce, since it was such a great hit last season, that you will be able to purchase a White, Orange and Black Tracyton Soccer Club Soccer Ball with Registration again this season!! Each soccer ball is only \$15 and is customized with the TSC logo! A portion of each ball purchased supports the TSC Scholarship Fund.

Exciting News!!! TURF at Lobe 2 (U11 and U12) and Lobe 3 (U9 and U10) to be open for this Fall 2018 Season. A partnership between Kitsap County and Central Kitsap School District has brought a field improvement to our area. Construction to begin on these fields very soon.

As always, if you have any other questions, ideas comments, concerns please let me know. Together we can keep this the best Soccer club in Kitsap County!!!
